HE WANTS IT TO BE AUTUMN ALL YEAR!

Dear *Voluptuous*,

I haven't purchased a copy of *Voluptuous* for a while but I have been a big fan of the magazine for many years and my favorite model for the last eleven years has been Autumn Jade. I have archived the editions that she has appeared in and try to keep an eye out for any appearances I may have missed over the years.

Please can you tell me if she still makes appearances in your magazine and if so when she is likely to appear again? In addition Ivy and Cherry Brady are also in my top three models and if they are regulars in *Voluptuous*, I would certainly pick up any editorials where they have appeared. Thanks for doing a great job all these years and keep doing what you do.–S.B., via the Internet

Dear S.B., Thank you for writing in. We always like to hear from longtime readers. Unfortunately, I am not going to give you the news you want to read. Autumn Jade has retired from modeling and will not be appearing in the international version of the magazine. (Although she did call us a few months ago to see how everyone here at V-mag was doing.) However, if you live in the UK, she is actually in THIS issue of Voluptuous! You see, our friends across

Happy Holidays from Vmag!

Dear V-Mag Readers,

I receive lots of letters and emails each month from readers all over the world requesting to see their favorite V-mag girls in upcoming issues and bonus shots in V-mail. While I try to publish as many as I can, sometimes there are just too many to print. However, when the email below came in, we thought that this would be a great opportunity to showcase some of the hottest holiday hooters to ever jingle your bells! Enjoy the plethora of bonus shots of the busty naughty elves below and on behalf of myself and the entire V-mag team, I would like to wish you all a very great holiday season and a happy new year!–Maria Guerrero, editor of *Voluptuous* magazine

Dear *Voluptuous*,

Everytime that the holiday season takes hold, I like to celebrate by perusing some of my favorite naughty elves that have appeared in V-mag and online at SCORELAND.com. There is just something very sexy about a woman who is all dressed up like she is your big-titted gift under the tree. I have bought lots of these kinds of slutty XXX-mas outfits for my girlfriend and each year, she wears one and gives me my special gift. I look forward to the kink and no-holds-barred sex every year! I was wondering if maybe you could give me a few bonus shots of the horniest elves to ever show off their tits? I would appreciate it. Keep up the great work!–J.H., Jackson, Mississippi

Santa's stacked helpers: Kerry Marie, Linsey Dawn McKenzie, Sharday, Autumn Jade and Christy Marks.

Some readers think that Arianna Sinn looks best face down, ass up!

the pond don't get the XXX version of V-mag, so there is actually a fetish set of Autumn Jade in their version of the mag! Hopefully you're a Brit and you have Autumn's pictorial open already. The good news is that Cherry Brady actually made her comeback after six years in the Holiday '10 issue of V-mag. (Available in the back issues ad on page 10.) And she gave us a great interview, too! Check it out! Hope this helped! And we hope to hear from you soon.

MORE NIPPLE CLOSE-UPS IN V-MAG!

Dear *Voluptuous*,

I'd like to offer up some feedback on recent issues. Yes, it's too much with the Christy Marks already. Yes, she's got great tits and a great face, but she's got no figure - no hips or rear end. She doesn't look good just standing up naked. So she gets more credit than she deserves. Put more Lorna Morgan in her place, if you want to go overboard on somebody. Good job getting Miosotis in the magazine. Best shots are those that show her breasts hanging down natu-

Fans have written in to say V-mag is crankin' out great issue after issue! Thank you!

Taylor's ass inpires lots of wood!

rally, such as bottom of page 21 in Nov. '10. I like when you "catch up" with what we've already been looking at on the Internet for several years already. In that vein, can you get more photos of extreme figures like Miosotis and Kristina Milan?

I would also like to see more photos of nipple close-ups. They show details in the nipple and areola that you rarely see anywhere else. More focus should also be given to lactating nipples.

In Oct. '10 issue, you advertise how Kristina Milan is "lactating". Then you don't show it in any of the photos. Why the mixed message? Then in Dec. '10, you barely show the lactation. You seem to be holding back for some reason. More lactating models, please. Also, Shione Cooper has spectacular pussy lips, yet you missed the opportunity to showcase them. Too bad. I also think that Michelle May is very sexy. Show more of her in the mag, please.

In Dec. '10 issue, Arianna Sinn is spectacular. Should probably look into getting a good shot of her directly from the rear, showcasing her anus. And Karina always looks good. Would like to see more shots of her, directly from the rear, showing the shape and contour of her hips and rear end, like a good shot you did of Lorna Moran many years ago, with her rear end pointed directly up in the air.–Joey, via the Internet

HE LOVES TAYLOR'S BUNS OF STEELE

Dear *Voluptuous*,

I've got to say that I expected a much harsher feedback for my criticisms of Christy Marks even though I would like to read some of the opinions that agreed with me. I can't even come close to counting how many nuts I've busted over Taylor Steele in the Nov. '10 issue. She gets my vote for newcomer of the year. That is what a real woman is supposed to look like. What a perfectly round ass and her asshole looks so tight and inviting. She is gorgeous and also has a captivating smile. Could you please show a pic of her fantastic ass in a pair of tight jeans, I get wood just thinking about it and I can't wait to blow my load over that bountiful view. Every time I open the issue I can't help but turn to her pictorial and get instantly hard.– C.B., Langley, British Colombia

THE NOV. '10 ISSUE HAS A LOT OF SOLE

Dear *Voluptuous*,

Vive l'Editeur! Many many thanks to V-mag editor, Maria for the giant, fantastic, barefoot photo of the wonderful Miosotis in Nov. '10 V-Mag!

In my modest opinion, Miosotis is a no-brainer for the title of V-GIRL OF THE 3RD MILLENNIUM! She has a great face, humungous floppers, massive bottom, powerful and shapely legs and super-sexy, high-arched feet. Miosotis takes no prisoners! Kudos to you all at The *SCORE* Group!–The Feetosopher, via the Internet

HE THINKS THAT *ALL STACKED, ALL NATURAL* WAS ALL GOOD!

Dear *Voluptuous*,

I recently purchased *All Stacked, All Natural* and I had to write in and tell, you what an incredible movie it was. SCORE consistently puts out great movies, but this one is probably your best effort as of yet! The girls were all beautiful and probably the best girls

Long-time reader, The Feetosopher thinks that Miosotis' bare feet are a plus in V-mag.

you have ever featured in a DVD. Karina Hart, Ashley Sage and Jenna Valentine are my favorites, but there are so many stacked lovely ladies in this DVD that I could probably wax poetic about all of them for hours. I wanted to tell all the other readers that this DVD is a winner and that as one fan to many others, that they would not be disappointed if they purchased it. I also think you should make a part two very soon. I would love to watch it as soon as it's available. Keep up the good work!–B.J.,Naperville, Illinois

HE TOLD US HIS HORNY STORY...

Dear *Voluptuous*,

I'd like to offer up some feedback on recent issues. Yes, it's too much with the Christy Marks already. Yes, she's got great tits and a great face, but she's got no figure–no hips or rear end.

Hats off to *Voluptuous* for publishing my piece The Busty Office Temp in the Aug. '10 issue. And I'd also like to give a shout out to K.S. from the UK who wrote in to V-mail mentioning how much he enjoyed my story. For what it's worth, I'm just another *Voluptuous* reader like everybody else. An idea came to mind and I ran with it. And I have to admit while I was writing it I was getting off and I was able to share the story with a lady friend of mine when it was published and she reenacted some of the scenes with me. (She was a little shy; she loved my story but refused to look at any of the pictures in the magazine.) But in the end I got exactly what I wanted. Anyway I encourage fellow readers to share their big tit stories. Furthermore the editors at the magazine are quite generous if your story should get published.–T.N., via the Internet

CASSIDI INSPIRED LOADS OF LOADS

Dear *Voluptuous*,

I couldn't stop jacking off to Cassidi Jai's pictures in the December '10 issue of V-mag! I jack off all the time, but then again, my girlfriend thinks I am a pervert. She might be right.

Cassidi's huge tits and wide, wonderful fanny make me drool. I wish I could lick and suck her pussy and asshole for hours. Cassidi could sit on my face anytime she wanted to.

Her pose on the Bare Facts page had me jacking like crazy as my girlfriend watched me beat off. Also, her picture on page 34 with her fanny up in the air and her tits hanging down on the bed sheet was too much for me. I blew my load all over that picture and my girlfriend licked all the sperm off the page!

It was fun to jack off to pictures of naked women while my lady watched me. How horny is that, huh? Thanks for a great jack-mag and bring Cassidi back soon.–B.H., North Carolina

Dear *Voluptuous,*

I loved your interview with Cassidi Jai in the Dec. '10 issue. I love when you guys feature black and stacked newcomers. And Cassidi is definitely stacked! And she gave a great interview that made me fall in love with her personality. Cassidi comes across as a charming girl and I like her big, floppy tits. I liked reading about all the horny things she does. I was really turned on. I kept jacking off, imagining that Cassidi was stroking my dick with her tits. Please bring her back, soon. She makes me cum very fast.–D.W., Escondido, California

FULL-FIGURED FOXES

Dear *Voluptuous,*

I just wanted to drop y'all al line to say that I really enjoyed Sept. '10 issue of *Voluptuous*. I think that Raquel Grant is a fuckin' knockout! I got it real bad for full-figured European women and ya'll know where to find them. Raquel has the kind of body, hair and bouncy, juicy tits that would make me

Plumper Raquel Grant made lots of dicks hard with her solid curves in Sept. '10 V-mag.

forget about whatever was ailing me. And, that sexy lady Melonie Max is absolutely dick-crazy! You guys should hook up these women the next time they do XXX. Get them in your studios and let them live out their fantasies of fucking two men at once.

I'm quite sure that y'all could feature them both in a movie called *Thick Chicks on Dicks Double Dicking*, or something like that. And please put Anna Kay in this feature, too. I love her dick-greedy ass! You guys have not put a model in the magazine this hot since featuring Mindy Jo.

I hope you guys can put out a movie like this and thanks for making such a great product. Also, could you please give me a bonus shot of the editor, Maria, sucking her own tit? I would love that. Oh, and to the guy who wrote in about hating Renee Ross's tattoos in a previous issue, GET A LIFE, BUDDY! Tattoos are great.–D.B.P., Long Beach, California

HE LIKES 'EM BIG-HOOTERED & HAIRY

Dear *Voluptuous*,

I am a long-time subscriber to V-mag and enjoy your busty beauties. In the past, *Voluptuous* would, on occasion, show women with unshaved underarms. A few past classics I can recall are Denise with about two weeks growth in the Dec. '01 issue, hairy Mary and several others. A classic V-mag that I was told is no longer available had Chloe, unshaven and clearly displaying her underarms in multiple photos. I am wondering if this issue is, in fact, not available and if so, could some of those photos be reprinted?

Also, could V-mag consider future models with unshaven underarms for some pictorials? I find armpits sexy with a week or two of hair growth. The classic photos of hairy models I love are Clare from the June '00 issue, Amanda from the Oct. '01 issue, Michelle from the Nov. '04 issue and Shantay from the March '03 issue. But in all honesty, nothing compares to that issue of Chloe, which I unfortunately lost when I moved. I wish that I could see Chloe's hairy pits again! –R.A.M., Atlantic City, New Jersey

Reader R.A.M. likes big tits and hairy pits like Chloe Vevrier's. Do you like hairy ladies in V-mag?

Lexi SUMMERS: HORNY TEEN TITTER

Release: StoreMags & FantaMag

Interview by Maria Guerrero

When I conducted this interview with Lexi Summers, I had literally just walked into the studio and met this pretty lady and within ten minutes, there she was, giving a blow job in my presence. Oh, and did I fail to mention that she was still talking to me while she was giving said blow job? There is something to be said about a girl who can give head, hold a conversation and still retain a sparkle in her eye. Alas, that might come with youth. You see, Lexi is 19 years old. That's right, a fresh-faced titter. She loves to go shopping, read books and she likes to fuck. A lot. More than you do, probably. And her goal? To be a porn star. You have to love a girl with that much drive to be dicked down. Get to know a little about this DDD-cupper and her big aspirations about penetrations. She might, literally, charm the pants right off you.

V-MAG: Howdy! Welcome to V-mag! We are sitting here with a new model today. Her name is Lexi Summers. How are you, Lexi?

LEXI: Hi! I am great thank you. How are you?

V-MAG: Good, thanks. So, tell us where you are from, Lexi.

LEXI: I am from Texas, actually.

V-MAG: Texas, ya' don't say. And tell us, what do you do for fun in Texas.

LEXI: Well, I just recently got a new apartment

and I am about to get a car, so now I can do whatever it is that I want to do.

V-MAG: Now, wait. Tell us all how old you are. Because I know how old you are and I think the readers might need some perspective on why a new apartment and a car would be such a big deal for you.

LEXI: Well, I am 19, so this is the first time that I am able to do anything like that. So, I am totally excited about it.

V-MAG: So, you are just legal.

LEXI: Yes, just legal. Like, barely legal.

V-MAG: And just getting naked for us…

LEXI: [*Laughs.*] Uh-huh. That's right.

V-MAG: Well, we love that kind of girl.

LEXI: [*Laughs.*] I'm glad.

V-MAG: Okay, so obviously you are here for V-mag and *XL* and you have a very nice set of tatas. Tell us how big they are. What are your measurements?

LEXI: My measurements are a 36DDD.

V-MAG: Wow! And you are 19?

LEXI: Yes, I know. They started growing when I was like 16. I had a D-cup then and they've been growing a cup size every year.

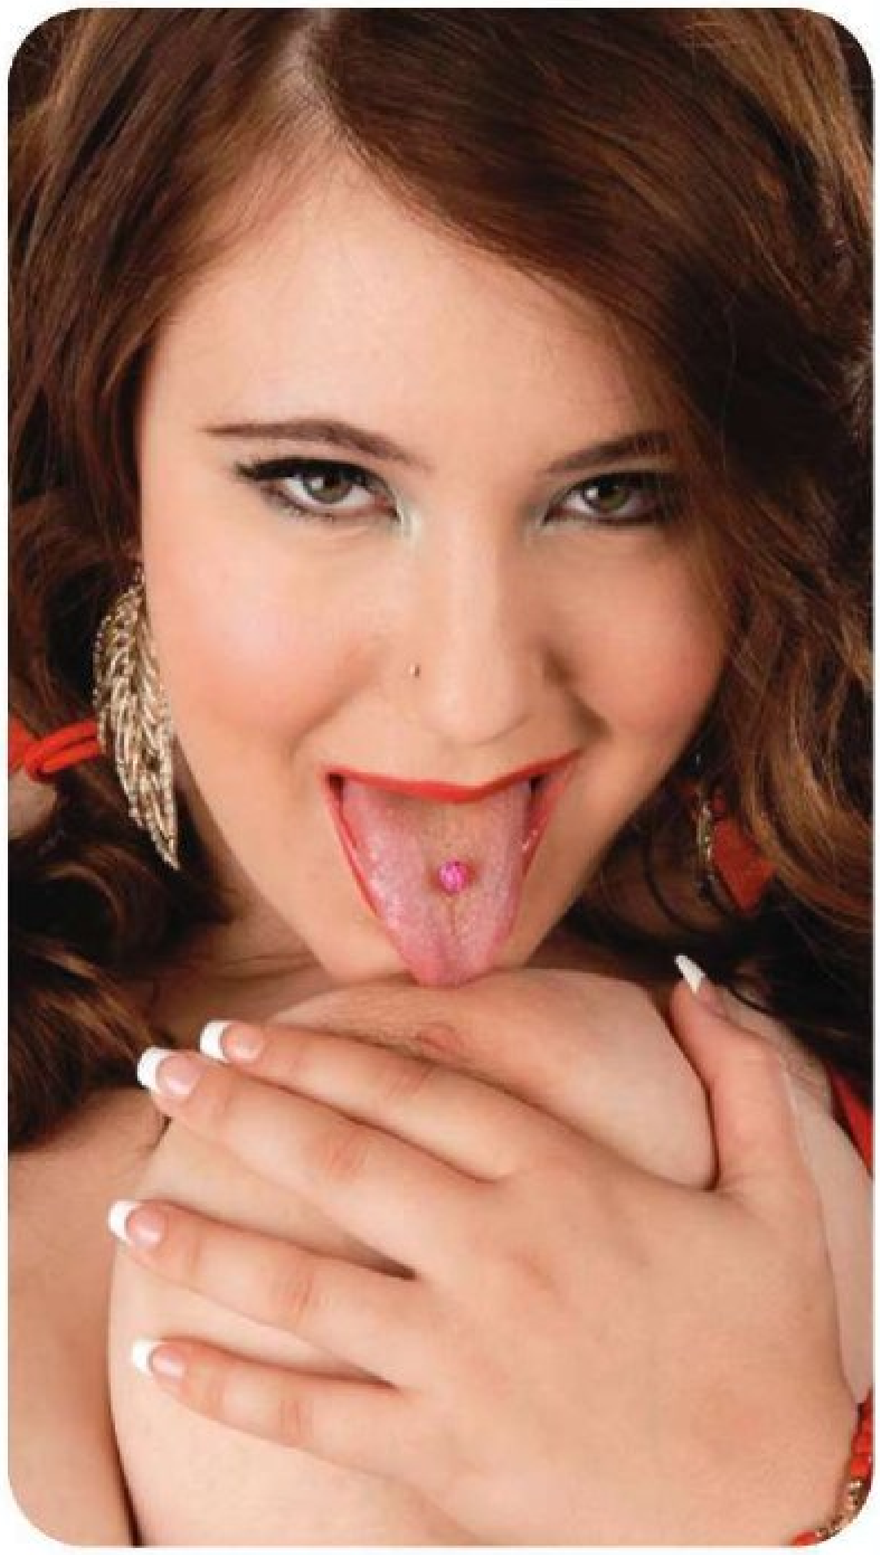

V-MAG: Okay, so you grow a cup size every year…and you are fresh out of high school?

LEXI: Yes, I am. I just graduated.

V-MAG: Okay, so you are what I like to call a

true teen titter.

LEXI: [*Laughs.*] That's awesome.

V-MAG: And what kind of school did you go to? A public high school?

LEXI: I went to a public high school but it was in a small city so it was very conservative.

V-MAG: And in high school did you ever have any problems because you were the girl with the biggest boobs?

LEXI: Yes, I was always getting harassed by the principal for wearing inappropriate clothing. And a couple of times a week I was always getting in trouble for cleavage showing or something along those lines.

V-MAG: Well, we don't know what that guy's problem was because we would never say that showing cleavage was a bad thing.

LEXI: [*Laughs.*] Of course not. But in my high school it was a very bad thing because I was distracting the boys from their schoolwork.

V-MAG: Did you play sports or cheerlead?

LEXI: Um, I did soccer, basketball, volleyball and track. I did a little bit of everything.

V-MAG: So, you got in trouble for showing a

little bit of cleavage, but there you were running up and down the field with your tits bouncing everywhere?

LEXI: [*Laughs.*] Well, it was mostly girls on the field and apparently that doesn't distract them too much. Just boys get distracted.

V-MAG: Well, I am a girl and I am distracted by your tits right now.

LEXI: [*Laughs.*] That's funny.

V-MAG: Okay, just to satisfy my curiosity…was there any hot girl-on-girl action in the locker rooms?

LEXI: No! I wish, but there wasn't.

V-MAG: Are you into girls at all?

LEXI: Yes! I am bisexual, actually.

V-MAG: Wow! 19, bisexual and modeling for the first time, NAKED. That's kind of hot. So, besides your new car and your first apartment, what else are you doing in Texas?

LEXI: Well, in the summer I like to be outdoors a lot so I go swimming and to the movies. Now that I am 19, I go to clubs, too.

V-MAG: Okay, when you go swimming, do you wear bikinis or one-pieces?

LEXI: I always wear bikinis.
V-MAG: And are your tits popping out when you're on the beach?
LEXI: [*Laughs.*] Yes. They always pop out. It's hard to find stuff that fits me.
V-MAG: Do you tan topless in Texas?
LEXI: No, they don't allow that, unfortunately.
V-MAG: Okay, so you are a DDD-cup and you can't find bikinis…do you have trouble finding bras, too?
LEXI: Yes! I usually have to order stuff online because they just don't make cute bras in my size.
V-MAG: And tell us how do you like to dress when you got out? Slutty? Conservatively? Do you have a hard time finding stuff to fit?
LEXI: When I go out to the club, everything is shorter and tighter, but in my every day life, I like to wear dresses. Dresses and cute flip-flops are my favorite things to wear.
V-MAG: Do guys hit on you a lot?
LEXI: Yes! And it makes it very, very hard for me to find a boyfriend just because I get bored so fast and I am always meeting new guys. I like a challenge, though. Confidence is very sexy to me. I think it's important for a guy to be very assertive.
V-MAG: Are you sexually assertive? Are you the aggressor when it comes to fucking men?
LEXI: Um, I like it when a guy makes the first move on me.
V-MAG: And what is your favorite feature on a man?
LEXI: When I first see a guy, I notice his eyes. I think that eyes are very sexy. It's all about the eyes.
V-MAG: Okay, so tell us the truth…when guys hit on you, do they ever, like, embarrass themselves to impress you?
LEXI: I had this one guy hit on me…he was a dad and he sent his son over to me at a restaurant. The son was, like, 13 and the dad was like, in his 40s. So his son came over and was talking to me. It was very funny. He pointed back over his shoulder at his dad and said that he wanted my number…
V-MAG: Hey, sometimes you need a wingman, that's what I say.
LEXI: [*Laughs.*] Yeah, it was cute.
V-MAG: So, you said you like outdoorsy stuff, right? What else do you like to do besides go swimming?
LEXI: I love camping. And I like to travel. I love going to new places and trying new things
V-MAG: Really, because a little bird told me that you are very adventurous.
LEXI: [*Laughs.*] I am actually.
V-MAG: In fact, this little bird told me that you are so fun-loving that you like to have sex in mall fitting rooms?
LEXI: [*Laughs.*] I was younger, like 18 and I was with my boyfriend at the time. We were looking at prom dresses and he was in there with me giving his opinions on the dresses I was trying on and one thing led to another. We ended up getting caught up in the moment and before I knew it, we were fucking in the dressing room.
V-MAG: So, you had sex in the mall? Weren't you guys really loud? Did people hear you?
LEXI: [*Laughs.*] You know, I really don't know. They might have? We were so caught up in the moment that I don't think we cared. But I'd be very surprised if they didn't because I am very loud when I have sex. Come to think of it, I am sure that they did hear me.
V-MAG: They heard you, they were just enjoying it, too! [*Laughs.*] So, we also heard that you have this fantasy about getting it on at a drive-in?
LEXI: Yeah, that's, like, my sexual fantasy. I just think that it's sexy to be with someone in a classic car and be making out really hot and heavy and then get in the backseat and just do it right there. That's very old-fashioned and you don't hear about that happening anymore, but I think it's really hot and I would like to try it at least once. I just think that old-fashioned things like that are sexy.
V-MAG: Well, there you have it, guys. If you bump into Lexi, try and make her laugh and show a lot of confidence. Then maybe you should take her out on a date to the drive-in and makeout with her, and then maybe you'll end up in the backseat, going all the way! It could happen, right?
LEXI: [*Laughs.*] You never know, you might get lucky!
V-MAG: Okay, so you are 19 and you are working in porn. Tell me about that? How did you start and were you nervous? Was it

Top Heavy Tease

Sophie Mae

Every time that Sophie Mae appears in V-mag, readers go wild over this Czech bomber's big cannons and her pronounced areolae. A professional dancer, Sophie knows how to work her body and undulate her curves to entice and provoke. She says she likes to dance because she likes to feel peoples' eyes on her body. Her favorite kind of dancing to do is belly dancing because it showcases her curves. "Belly dancing is a celebration of a woman's body. Every slow move, every shake and shimmy is meant to seduce the audience. That is why I like to dance. I am turned on by how my movements tease the people watching me. Don't you like watching me? Does my body excite you?"

So what does it take to keep a dancer's body lithe and supple? Plenty of exercise and plenty of lotion. Sophie credits her tight body to hours spent dancing everyday. She credits her firm guns with a dedicated routine of lotion and massages every morning after her shower. She says that she masturbates daily because cumming keeps her looking happy and her skin looking good. "When you are sexually satisfied, you look and feel great," she said. We agree with you, Sophie!

Hooters, holidays and the miracle of Janet Jade

-by Elliot James

I had the privilege once of hosting a tits-in-tight-tops video with Janet Jade, star of Eat My Tits, for *SCOREtv* episode 2. Two years later, I still haven't completely recovered, but I'm making progress and my arm is almost completely functional again. In this Janet update, a fellow *SCOREtv* reporter has the honor of chatting up Janet in our dressing room, and as always, she's a room brightener: cheery, fun and enthusiastic. A jiggle belle, all the way. Janet talks about the holidays, her favorite basketball players, what she looks for in a guy (she likes a specific kind of butt) and a bunch of other things he was curious about.

My question is, why does Janet have to live in Detroit? Why can't she live in Miami? Down the block from our building? Thanks for giving, Janet! Have a fun and safe holiday season.

I wish the world could be more like a *SCORE* interview with Janet Jade, a world where you could ask a busty girl to show you her boobs and she happily lifts her blouse without the guilt, shame and embarrassment that society instills about the human body. Yes, a man can dream the impossible dream.

This DVD is all Janet Jade and JUST Janet Jade. And who wouldn't want her all to themselves, eh?

And while I'm at it, I'd like to list the top 10 things you can get away with saying on Thanksgiving and Christmas:

1. "I could go for a huge breast."
2. "That's one great-looking spread."
3. "If I don't undo my pants, I'll burst."
4. "Tying the legs together keeps the inside moist."
5. "I'm in the mood for some dark meat."
6. "Just wait your turn and you will get some."
7. "Don't play with your meat."
8. "I didn't expect everyone to come all at once."
9. "So, how long will it take after you stick it in?"
10. "You will know it is ready when it pops up."

Janet Jade looks great wet in this car wash pictorial from *SCORE*'s Jan. '08 issue. Detroit car makers should use Janet in their ads.

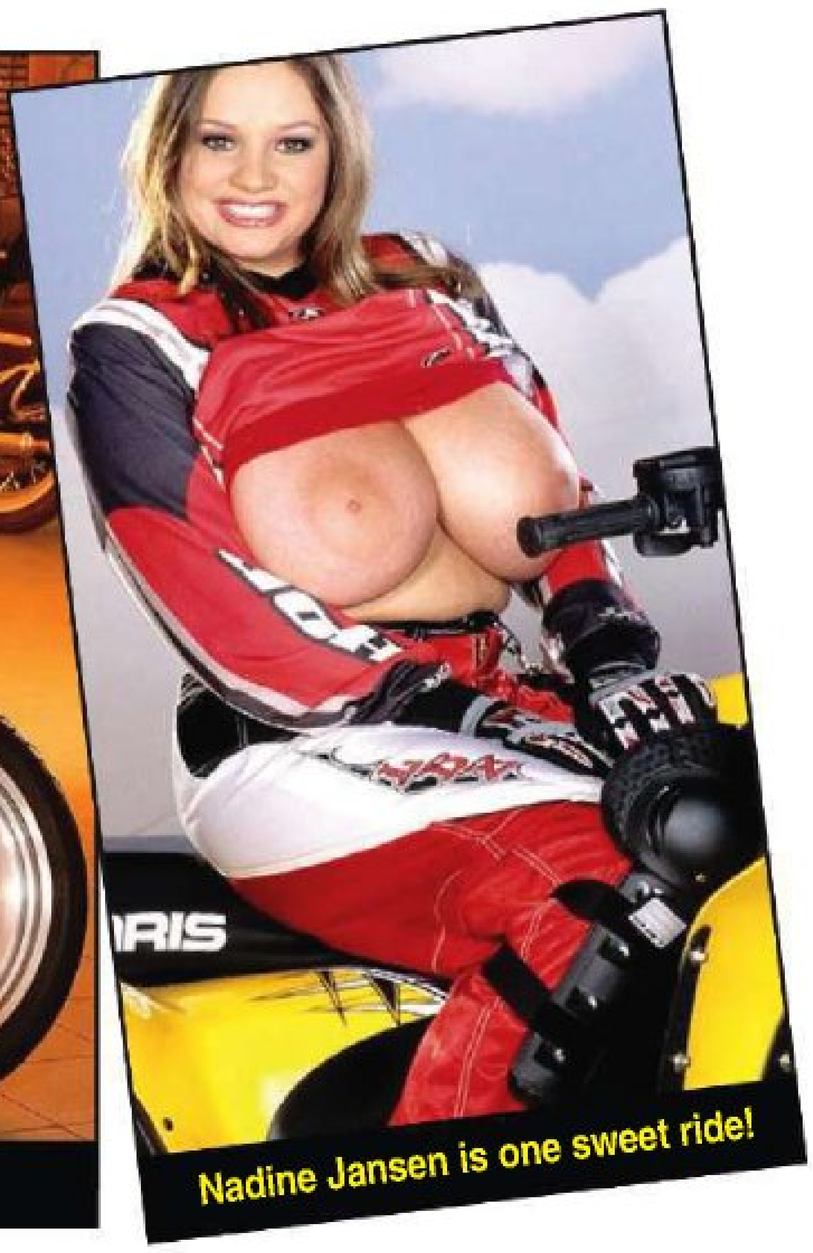

Now That's A Sweet Ride!

-by Maria Guerrero

One of the reasons that I am good at what I do (And that is bringing you the sweetest tits around!) is that I tend to think like a guy. Maybe it's because I tend to spend more time with men, but I find that I can relate

Merilyn looks EXTRA good with this much power between her legs.

Nadine Jansen is one sweet ride!

to men and their likes and dislikes. For example, I like video games. I also like football and beer. I am a fan of strip clubs and power tools, too. (Not necessarily at the same time, though! lol) And also like working in garages on all sorts of motor vehicles. I like to consider myself to be somewhat of a gear-head. (I have a lot of busty mechanic fantasies.) That's why today's post is going to revolve around two things that I like: Busty women and motorcycles.

When I see a sweet bike out on the road or parked on the curb, I stop and stare. I admire all the chrome work and the engine. I might say something like, "I'd like to ride that!"

The same thing applies to a hot chick. (Including the, "I'd like to ride that!" comment.)

So when there's a hot chick ON a motorcycle, it's a double WIN! for me.

We have had a lot of hotties on motorcycles in the past but one of my favorites is Merilyn Sakova. I would love to rev her engine on that bike. Another lady who spent time mounting a sweet ride was the legendary Nadine Jansen in the November 2005 issue of V-mag. Some other ladies who have posed with motorcycles include slim-and-stacked wonder and girl-next-door, Christy Marks. I am sure that if I rack my brain I can remember other motorcycle sets but I'd like to hear your thoughts on this "chick-on-bike" phenomenon. Who are your favorite big-rack riders?

Danesha's mocha bosom is nice and full. But she has that super round brown, too!

Ass and Titties: The Perfect Combo

-by Maria Guerrero

There are some things that just belong together. Things that jive in perfect harmony, like peanut butter and jelly. Like Abbott and Costello. Like boners and lotion. These things just make sense. They are better together than apart, and that's that. And if you ask me, the best of all things combined, the ULTIMATE pairing is Ass and Titties.

I mean, ask yourself, how can you go wrong with that duo?

I like tits as much as the next person, but I am very vocal about my love of ass. I think asses are awesome. (I am the editor of BootyLicious magazine for a reason!) They jiggle in such a friendly way. They take a pounding and they bounce back. And no matter how hot a chick is, if she is packing a little junk in her trunk, her fuck stock goes up. At least in my opinion.

K.H. goes to pic no. 51 of Raquel Grant from the Sept. '10 V-Mag

Mr. Brum goes to Jezhabelle's debut set in the December 2002 V-Mag.

For Anthony, it's Nicole Peters' debut cover shot from the April 2003 V-Mag.

That is why when a chick is stacked up top and has lots of bounce on the bottom, I think she needs to be praised and high-fived, even. Because T&A is just so good. And think of the possibilities! Titty-fucking and using her ass crack to jack your dick! A girl with ass AND titties is a hot fucking commodity!

Am I wrong? What curvy-lady lover wouldn't want a sexy woman with curves from top to bottom?

We have a whole gallery of bra specials posted inside *SCORELAND*. Linsey is the subject of one of them. But then again, there's a whole treasure chest of stuff at *SCORELAND* that you might not know about unless you dig deep.

I'll show you mine if you'll show me yours

-Dave Rosenbaum

About a week ago, I asked, "What's your go-to photo?" Several Blog readers responded, so I thought I'd show some of them. By the way, the forum is still open. And one more thing: I'm looking for a particular photo, a single shot (or cover) that stands out in your mind…the one you go to when you want to rub one out really quickly (or the one you just like to go to). Whatever your reason, it's your No. 1 shot…for now, at least.

"You want answers?" "I want the truth!" Can you handle the truth?

-Dave Rosenbaum

It has been a while since we've checked out the *SCORELAND* Blog poll results, which is a shame because some of the results have been pretty interesting. For example, we asked, "If you won your favorite big-boobed model's bra in a contest, what would you do with it?" The No. 1 answer? "Find a girl who can fit into it" with 36%. "Frame it" got 24% while "Use it either to jack or as a cum receptacle" (which is what I'd do with it) got 22%.

Amusingly, four-percent said, "Show it to your friends as 'proof' that you fucked the girl." Which, to me, is weird because 1.) I don't care who knows or thinks I fucked who, as long as I fucked; and 2.) I'm not sure that just having a girl's bra is proof that you fucked her.

"Find a girl who can fit into it." Okay. Fine. But are you going to walk around with the bra and have girls try it on? I'm not sure that would work…but if you do find a girl who can fit into a *SCORE* Girl's bra, please send her our way. Remember, we pay generous finder's fees.

Another poll question: "Which is

The Next GREAT One

V-MAG DEBUT

From time to time, a model comes into our studios and is instantly dubbed, "The Next Great One!" What does it take to merit that title? Well, in this case, it takes the slim-and-stacked curves of Ukrainian bombshell, Valory Irene. And what sets her apart from other DD-cuppers? Well, *SCORE* chief John Fox, who has seen a few hundred-thousand pairs in his day, thinks Valory has the most-perfect tits ever. Actually, his exact quote was, "If God created the perfect tits, they would be Valory's." That's impressive!

When a tit-connoisseur like John Fox says you've got a great pair of tits, it's an honor. But looking at Valory's perfect pair, it's hard to argue with his logic. Valory's breasts slope outward and upward and she has a set of puffy, defined areolae that draw your eye right to her pointy nipples. Upon first look, her breasts remind us of another Great One's rack: Danni Ashe. She is making her debut in V-mag this issue, but there is no doubt that Valory will soon become a fan favorite. Hailing from the Ukraine, Valory says her boobs have been growing ever since she was 13. She says that she is a girly-girl who likes to wear dresses, makeup and high-heels. Valory describes herself as a very shy, nice girl and she still wears braces.

Valory is interested in studying languages and said that she wants to travel around the world. She also said that she wants to learn to fly a plane and go skydiving. With such a sense of adventure and a zest for life, it's easy to imagine that Valory employs that same excitement when it comes to sex, but this stunner told us that she doesn't even masturbate! Why is that? She says that she prefers to have sex with a man and let him get her off to just touching herself. We are sure that she gets a lot of volunteers to help fulfill her needs!

Virginia said that she wasn't comfortable showing off her pussy because it was her first time modeling, let alone nude modeling. However, her skimpy, string underwear leave little to the perverted imagination and we can only hope that she goes the way of other Czech models like Shione Cooper and decides to show off her cookie and go all the way in some hot XXX, too. For the time being, Virginia says she enjoys modeling and has told her friends that she is posing topless in our mag. She also said that although her friends didn't voice their opinions about her nude modeling, she is sure that they don't approve. "They are very reserved about things like that. It's because we are all students and study very hard and they don't believe in being wild and doing things like this. I don't think they will approve of this," she said. If there is one fantasy-girl scenario that holds true throughout the years, it's that of the naughty schoolgirl with her tiny skirt, collared shirt and tie. There is something about that school uniform that is meant to conceal curves and cool-down the raging hormones of male class-mates, that makes men hornier than ever. And no one does the uniform more justice than Brit titter, Ashley Sage. Perhaps it's her cherubic face and naughty smirk that make her absolutely scorching hot in these pictures. Or maybe it's that this uniform looks believable on her curves. Whatever it is, class is in session so concentrate really HARD.

Like any schoolgirl, when Ashley Sage gets home from a long day of learning, she doffs her uniform right away. With her boring uniform discarded on the floor, Ashley lounges around on the couch, stretching out and letting us check out her sexy, white panties. (And if you ever went to a school where the girls wore uniforms, you will recall catching glimpses of their white, cotton panties!) Ashley, ever the good girl, doesn't take her panties off but you can almost feel the heat coming off the page when she pushes her tits together while laying down. Faced with this busty vision, a tit man would probably concentrate on her jugs, getting to second base and dry humping her through those skimpy panties!

Now that she has your attention, Ashley is all set for an after-school snack and what better treat than a long, phallic banana and some white, sticky cream? Miosotis

A Massage With A Happy Ending

Wearing a snug white tank top, Miosotis is a masseur mamacita who likes to leave her clientele relaxed and drained of all their, um, stress. Here we see her as she hovers over the gentleman who has been deemed lucky enough to get a special massage. Set on a tropical beach in the Dominican Republic, Miosotis' massage parlor specializes in deep rubs and happy endings. And who wouldn't want to have their aches massaged away with this beautiful ocean backdrop? Then again, who would even notice the ocean once Miosotis pulled her shirt off? When she whips out her KKK-cup tits, you don't see anything except for her caramel mountains!

Once Miosotis unleashes her massive mams, the massaged quickly becomes the massager, because this guy needs to get his hands on her melons right away. And who could blame him? Miosotis' tits are a sight to behold and judging by these photos, they are also bigger than this guy's head! He gives them a liberal coating of massage oil and then proceeds to knead, rub and squeeze her big cans. Miosotis doesn't seem to mind that she is being manhandled and before you know it, this ocean-side therapeutic session becomes an all-out, horny fuckfest!

StoreMags.com

Like any tit-lover, this stud's focus stays on Miosotis tits. He kneads them, sucks them, has Miosotis smother him with them...in short, he does exactly the things you would do if you were with her in this scenario! He can't keep his hands off them and she can't seem to get enough cock, either. She mounts him in reverse cowgirl and he gets a face full of her juicy, pink snatch while she drops her brown floppers on his cock for some titty fucking. (You'll note that his meat all but disappears in her vast cleavage!) And because Miosotis likes to get a cock nice and slippery before she mounts and grinds on it, she is on her knees in no time, swallowing down a healthy helping of hard-on.

*Standing, boobs hanging freely: 32%
*On her hands and knees with boobs hanging down: 19%
*On her back, boobs splaying: 5%
*On her back, pushing her tits together for a tit-fuck: 15%
*Sucking on one or both of her own breasts: 14%
*Standing up and bunching up her big boobs: 15%

There's no surprise here: We've known for a while (from your comments) that you want an unobstructed view of the girl so you can assess her entire body. But is that your favorite jacking position, too?

One of my favorite poll questions: "You're with your favorite *SCORE* or *Voluptuous* Girl. You can either fuck her or have a conversation with her, but not both. Which would it be?"
*Fuck her: 58%
*Talk to her: 12%
*Hey! This is the stupidest poll I have ever seen: 31%

Okay, so maybe this is the stupidest poll question ever, but obviously, it's not that stupid because 12% of you answered that you would talk to her. While looking down her shirt, I assume. I'd fuck her, but then again, I talk to them all the time.

And, finally, perhaps our most controversial poll question ever, "Do you like to see big-titted girls using dildos in still photos?"And the surprising answer: 49% said yes and only 25% said no (with 26% saying it doesn't make a difference). So, clearly, the anti-dildo crowd that we've been hearing from is a very vocal minority. Viva los dildos!

Hello everyone! Guess where I am? I am sitting in the *SCORE* Studio right

Stardeeps.com

Cherry Brady is a jack-dream of all trades; model, blogger and self-sucker.

this second! It has been a super long time since I have been here. Everything still looks the same except for a few new faces that I hadn't seen before. Like there is this super-sexy editor named Maria here now. She's cute and smart and I hope to see more of her later!

Anyway, I am here because I always get a lot of V-Men asking me when I am going to shoot for *SCORE* again and do another video or pictorials. Apparently, you all are getting tired of jacking off to the same old stuff! So, I am here to bless V-Men with brand-new, 100% NEW jack-off material guaranteed to make you shoot to the ceiling! At least I like to imagine my V-Men shooting their loads to the ceiling.

Where have I been, you ask? I've been on lots of adventures. I did some water skiing, motorcycle riding, scuba diving, (a little muff diving) I baked a pie, went to K-Mart a couple of times. And doing all the things good girls aren't supposed to do (again). You know, the normal adventurous stuff. The important thing is the present. I am here and ready to start new adventures.

Speaking of which, I'm off to the set! I'll be here for a few days, so if you have any comments, questions, etc., send them along! And I'll see you VERY soon. Love, Cherry

something you always wanted to do?

LEXI: I was really nervous when I started modeling. Especially because I did a lot of nude photoshoots, but I had never done XXX before. I started off slowly, just posing naked and alone. But after I had done a few nude photoshoots, I got really comfortable and I thought that I could do this as a career. I am really comfortable with my body and being nude in general. It's very easy for me to walk around naked. I prefer to be naked, actually.

V-MAG: Well, now that you said that, we prefer you being nude. So, do you mind taking off your top and your bra for the rest of this interview?

LEXI: [*Laughs.*] Sure, that's not a problem at all. [*Takes off bra and top.*] There we go, that's much better.

V-MAG: Now that you're topless, let's talk about your big tits.

LEXI: Yes, let's talk about tits.

V-MAG: You're a DDD-cup and your breasts are pretty full, but are your nipples sensitive, Lexi?

LEXI: The are big and all, but they are not really that sensitive. I like that they are not that sensitive because I actually like to have them played with and pulled on really roughly. I like them pinched and even bitten, so if they were too sensitive I think that I would be less into nipple play.

V-MAG: Do you have a routine that you do to take care of them?

LEXI: Like lotioning and all that? Yes. I lotion them every day. Right when I get out of the shower.

V-MAG: And do you use your boobs during sex, too?

LEXI: I think in order for sex to be good, you have to use every part of your body.

V-MAG: What would you say is your best feature? Your boobs?

LEXI: You know, I have had a lot of people say that my tits are great, but then again, a lot of guys think my tits are okay and then just go straight for my ass. It really depends on what they like. I think it's what they enjoy.

V-MAG: Can you bend over and show us your ass, Lexi?

LEXI: Sure, no problem.

V-MAG: You know, you have a cute bubble butt. It's very nice.

LEXI: Thank you very much.

V-MAG: Now, besides modeling, what

else do you do in Texas? Do you go to school? Do you have a part time job?

LEXI: I actually did a lot of modeling in Texas and then I started modeling with an agency which is how I ended up coming here to Florida.

V-MAG: And were you a dancer at some point before you decided to start doing porn and XXX?

LEXI: No, I was never a dancer. I turned 18 and just started modeling.

V-MAG: And have you ever gone to a strip club at all?

LEXI: Yeah, I have been a few times. I am bisexual, so I like getting dances. I like to watch the girls. I like to flirt with all the strippers.

V-MAG: So, what is it about chicks that you are into?

LEXI: I think that with women, it's just different. Women are just softer in general and I can connect with a woman on a different level than with a man.

V-MAG: Are you more aggressive with women as opposed to men?

LEXI: I think that I am more aggressive with men and with women I am more passionate. It's a lot more kissing and passion. With men it's horny and hot and a lot more aggressive.

V-MAG: Are you into women that have big tits like you?

LEXI: Yes, I do. I like women with big tits. Or, like, big asses. You need something to hold on to.

V-MAG: That's hot. Speaking of sex, what is it that gets you off the best when you are with a man?

LEXI: Oh, man. Kissing is my number one turn-on. It is what sets me off. If we are kissing and it's hot, like, 10 seconds later, I am ready to go.

V-MAG: So, you don't need a lot of foreplay before you have sex?

LEXI: Um, I like to be fingered, too, but I think that if I had to choose, I would say that kissing is my foreplay.

V-MAG: And when you have sex, what position gets you off the best?

LEXI: I like to move around during sex and switch things up because I think it keeps things going, but doggie-style is my favorite. I can cum really fast when I am getting it from the back.

V-MAG: So doggie-style is the way to go if a guy wants to make you cum?

LEXI: Or maybe reverse cowgirl. I like that position a lot, too.

V-MAG: Now, you said that guys who go for your tits, love tits. But you said that some guys go straight for your ass. Does that mean that you might be into

anal? How about ass play?

LEXI: I have experimented a little bit. I like it when guys play with my ass, but I'm an anal virgin. It's something that I would like to try out in the future.

V-MAG: So you like all these sexual positions and you seem to have a good idea about what gets you off, but are you into pleasing your partner, too? Are you a girl that likes to give head?

LEXI: Yes, actually. I love to give head.

V-MAG: We love that answer. Now, you said that you like to kiss and that a good makeout session gets you really wet and ready for sex, right? So, is it safe to assume that you have an oral fetish?

LEXI: [*Laughs.*] Yes, I do. In fact, I am one of those girls who really loves to give head. I enjoy it. I hear stories about guys who have to beg their girlfriends to suck their dicks. Not me. I would never ask a guy to beg me. I would offer to do it.

V-MAG: Do you swallow?

LEXI: I do occasionally, but most of the time, guys ask if they can finish on either my chest or my face.

V-MAG: Well, our motto is spitters are quitters, but we think that if you like cum on your tits and face, then you are a champion and we high-five that.

LEXI: [*Laughs.*] That's funny.

V-MAG: What makes for a good blow job? Is there a technique?

LEXI: I think you need to use your hands and your mouth, and that you need to not ignore any part of the shaft. If you can't deep-throat, then you should use your hands on the rest of the penis.

V-MAG: Okay, you said you like to give head. If we told you that there was a stud in the wings would you show us your BJ technique?

LEXI: [*Laughs.*] Yes, of course.

V-MAG: Now, we are pretty impressed by your willingness to teach your BJ skills to everyone. You're pretty awesome, Lexi.

LEXI: [*Grabbing cock*] Mmm, thank you guys. I am going to have fun!

You can say a lot of things about April McKenzie. For starters, she holds the coveted title of V-mag's Newcomer of the Year. She was also in one of the horniest XXX flicks of all time, *Pounding the Pledges*. And to top it all off, she is one of the V-girls who posed while pregnant, too. So, from all this information we can surmise that she's got great tits, that she loves to fuck and that she looks good knocked up. So, it should come as no surprise that she decided to fuck for our cameras while she was pregnant, too. And judging from the smile on her face, she enjoyed every horny moment of it, too!

One thing that is noticeably different about April in this layout is that her tits are two cup sizes larger. Since she's huge-chested to start, that's a considerable increase! But, that breast growth spurt comes with the territory since April posed for these shots when she was far along into her pregnancy.

Seven months pregnant, to be exact. "That's the best part," April says with a smile. We've known April since she first appeared in V-mag and the increase in titty size is dramatically noticeable. Her areolae are much darker, too, which is a physiological change that happens during pregnancy.

With the hormones of pregnancy raging in her system, it didn't take much to get April's juice flowing. And once she got going, she wanted to get fucked hard! April made it very clear that she didn't want gentle and tender loving and told this stud that she needed a good, hard, fast pounding. So, he rammed her juicy snatch until she came all over his dick. Once she came, April dropped down to her knees and told this lucky bastard to spew his warm baby-batter all over her swollen tits and belly-bump. And when he coated her in his nut juice, April let out a loud, satisfied sigh.
